

Approved Other Academic Measures List

The measures listed below are approved for the Other Academic Measures (OAMs) component of the TLE System. Districts have discretion to allow additional OAMs for teachers and leaders for whom there are not at least two options on the approved list that are relevant to their job duties and provide actionable feedback, as long as the additional OAMs meet the definition of Other Academic Measure approved by the Oklahoma State Board of Education based on the recommendations of the TLE Commission.
